Reflection on Summer Fun

This summer at Crystal Lakes surely has been packed with lots of great and fun activities. For this, we have to give a big thanks to all the volunteers who have made this possible.

Lots of hard work went into running the beach and keeping it looking tidy every day, as well as making all the special family events a huge success. Special thanks to the Crystal Lakes Auxiliary, board members, and all those families and friends that reside in this beautiful community who pitched in to make these good things happen.

Many lake members have expressed their enthusiasm about being part of this special community and look forward to its future. As one long-time member put it, "This is all about making great, fond memories that will leave a lasting impression and legacy for generations to come."

Upcoming Events

Be sure to mark you calendar for the following upcoming events:

- **Trick or Treat, Clubhouse:** Sat, Oct 31
- **2026 CLPOA General Meeting:** Wed, Nov 11
- **Santa Claus, Clubhouse:** Sat, Dec 5
- **2027 CLPOA General Meeting:** Wed, Mar 10
- **2027 Membership Sales:** March 1
- **Other upcoming events:** To be announced

You can find updates, times, and any last-minute changes on the CLPOA website and on Facebook.

Calling All Volunteers

Dear Crystal Lake Members, we need volunteer help! Multiple trees are down around the lake, in particular on House Island and the cedar tree near the Crystal Lake shed. If you have a chainsaw or trailer, we greatly appreciate your help with clearing and hauling.

We also urgently need help weedeating around banks, docks, and the playground. Mowing is handled by volunteers physically unable to trim, so we're calling on all able-bodied members. If you enjoy fishing here, please pitch in just 1 hour when you can. Thank you for keeping Crystal Lake beautiful!

Pitch in today!

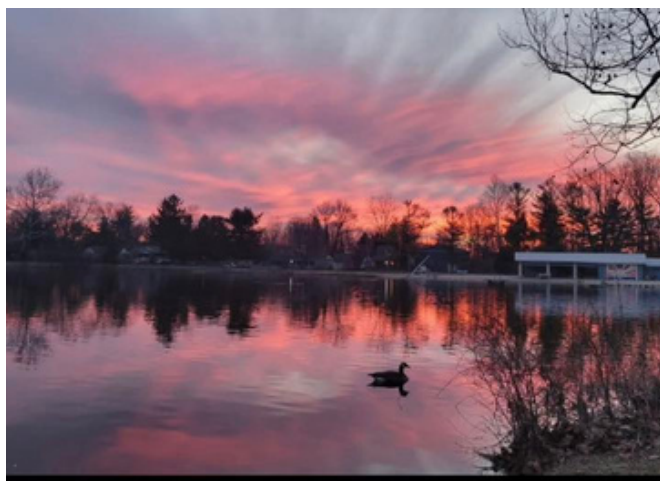

Around the Lake

We love keeping Crystal Lake beautiful together! As a volunteer organization, **please throw trash in waste containers** or pack out everything you bring to keep our grounds clean.

Family and senior memberships include **guest privileges**, provided your guests live outside a 12-mile radius of Clubhouse Island.

Looking for a holiday gift? 2027 **membership gift certificates** are available now and make great Christmas presents! Thank you for supporting Crystal Lake.

CLPOA Board Members

- Jay Luis, President
- Mike Brewer, Vice President
- Kim Bunnell, Treasurer
- Charles Gibbons, Secretary
