New Crystal Lakes Website

The Crystal Lakes Property Owners Association has a new website: www.crystallakespoa.com.

It's a simple, one-stop place to stay connected. You'll find event updates, meeting notices, newsletters, resources, a community calendar, and plenty of photos and stories from around the lake.

The site also includes a handy Contact Us page and a chat feature, so you can reach out with questions anytime and someone from the board will get back to you soon.

A new membership page is on the way too, making it easier to renew or sign up online. Whether you want to check what's happening, volunteer, or just see what's new, the CLPOA website keeps you in the loop.

Getting Ready for Easter Fun

Crystal Lakes' annual Easter Egg Hunt, organized by the Auxiliary, is back at the clubhouse on **Saturday, April 4**, and it's become one of the most loved youth events of the year. Kids of all ages race across the grounds searching for colorful eggs, with plenty of laughs and excitement along the way.

The event keeps growing every spring, and part of the fun is the special prizes given to the easter egg hunters. It's a simple, cheerful tradition that brings families together and kicks off the season with a smile.

For updates, visit the [Crystal Lakes website](http://www.crystallakespoa.org).

Fishing Fire Rules

If you're planning to fish at Crystal Lakes, it's good to know where fires are and aren't allowed. Small, contained fires are permitted only in designated fire rings or grills around the lake.

Open fires along the shoreline or in random spots are not allowed, mainly to protect the property and keep everyone safe. So if you want to warm up or cook while you fish, just be sure to use the approved fire areas and follow posted guidelines.
